## OVERVIEW

# Comprehensive Billing Services for ABA Therapy Practices

ASP-RCM Solutions provides customized billing services for ABA therapy practices. It ensures compliance with payer policies and Medicaid updates, simplifies billing processes, and optimizes reimbursements

## Navigating Payer Policies

Our team stays updated with changing payer policies, fee schedules, and reimbursement guidelines to ensure your claims are accurate and timely. This reduces rejections and expedites the revenue cycle

## Medicaid and Insurance Expertise

We manage Medicaid requirements, copays, and deductibles for private insurance plans, ensuring compliance and helping you maximize revenue potential while staying current with market trends

## Enhanced Revenue Cycle Management

By implementing efficient pre-billing, post-billing, and follow-up processes, we streamline the entire revenue cycle, from patient intake to payment reconciliation.

## Customized Billing Solutions

Our proprietary solutions adapt to the unique requirements of ABA therapy practices, addressing challenges like documentation gaps, denial resolutions, and accurate code assignments

## Support for Behavioral Health Growth

Through dedicated billing assistance, ASP-RCM enables ABA practitioners to invest time in improving patient outcomes, leaving the financial complexities to our expert team
